Hi Dick – I hope that this is the information you're looking for. I've broken it down into two categories:

1. Resources for Clubs
2. Resources for Alumni

#### Club Resources

- Engagement Strategies – This document will be sent to all District Alumni Chairs. It outlines ways to connect with alumni and reconnect them with Rotary.
- How-to guide for running district alumni reports for Rotarian leaders
- How-to guide for adding/editing alumni information for Rotarians and alumni (useful for both groups)
- Rotary alumni award nomination form

#### Alumni Resources

- [Rotary alumni page](#)
- [Webinar on alumni awards and reports](#) – Larry Dimmitt participated in this webinar and did a great job fielding questions.
- [Rotary Voices Blog](#) – This is a great way for alumni to share their story with the Rotary community.

There are also two different FAQ documents that are a good resource for both clubs and alumni.

Please let me know if this is what you were looking for.
